

Platform type

clear display

soft-touch keyboard

PR series

Price computing scale

- Reasonable design, strong mechanical structure
- Easy to operate, highly improve the work efficiency
- Stable and reasonable design of the Electronic components,.
- Bright LED display is easy to read
- Rechargeable battery, durable work
- Compact design

CAS

PR series www.shmach.com

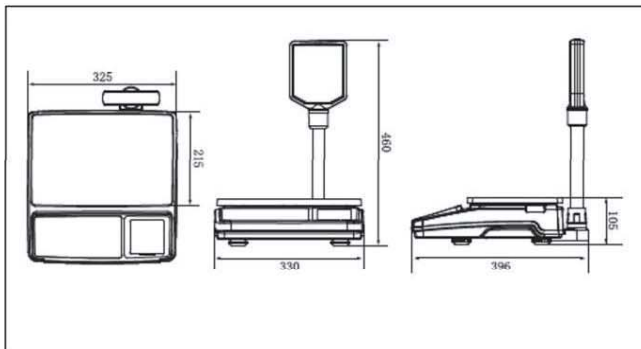

Specification :

Model	PR
Capacity	3/6kg×1/2g, 6/15kg×2/5g, 15/30kg×5/10g
Display digit	5/5/6(weight/price/amount)
Display	LED
Function	Zero, Tare, Power, Low Battery, Accumulation
Power	Adapter, rechargeable battery (4V, 4AH)
Work Temp.	-10℃~+40℃
Plate size(mm)	325(W)×215(D)
Dimensions(mm)	335(W)×395(D)×460(H)
Weight	1.4kg

Feature :

- Reasonable design, strong mechanical structure
- Easy to operate, highly improve the work efficiency
- Stable and reasonable design of the Electronic components,.
- Bright LED display is easy to read
- Rechargeable battery, durable work
- Compact design
