Tanita weighing mechanisms are highly accurate and reliable. Look out for special features such as diet tracker and extra large backlit displays.

All Tanita scales are highly durable, rust resistant and come in a variety of styles.

Tanita scales come with a 3 year guarantee, include batteries and full instructions.

### Super Compact Personal Scale

TANITA's HD 386 is probably the world's smallest personal scale. It is compact enough to place in a drawer or cupboard and suitable for weighing adults and children. The **HD 386 is highly portable and ideal for use while travelling with its soft protective carry pouch.** The extra large, easy to read display works through tap on activation and comes in five different colours.
