

## HD384 international bathroom scale

Tanita has introduced a new very unique bathroom scale, the HD384 Digital Weight scale. It will display weight in the three most used units of measure around the world: Pounds(lb), Kilograms(kg), Stone pounds (st-lb), on an oversized blue backlit LCD display. It features a low profile, oversized 8 mm tempered glass platform, with a weight capacity of 440 lb, 200kg, 31 stone - 6 pound.

The Tanita HD-384 Digital Weight Scale, also being called the International Hotel Scale was designed to satisfy the growing need to “monitor your health” even while travelling or staying abroad. In this ever-changing, international and health conscious world, this unique scale offers the ability to use one product in hotel rooms and demonstrates recognition to the multicultural and diverse travelling clientele. Tanita digital bathroom scales are known for accuracy, reliable performance and unique features.
